The Ideal Choice for MICE

Royal Cliff Hotels Group is set upon a tropical mountainside surrounded by scenic views of the Gulf of Thailand. This resort convention offers spectacular views of both the mountain and the ocean. Comprising 4 luxury hotels of 5-star standards offering 1,020 rooms and suites, 11 restaurants, 6 bars, a host of facilities and the multi-purpose award-winning convention centre, Pattaya Exhibition And Convention Hall (PEACH), it is one of the few properties in Thailand that can truly offer MICE planners and event organizers a complete and integrated meeting solution. All the facilities are within 5 minutes walking distance.

As a premier meeting, incentive, convention and exhibition destination, the Royal Cliff Hotels Group has a long and admirable record of hosting some of the most notable political and business meetings in the region. In 1991, we hosted the Cambodian peace talks; 6 years later, we were the venue for drafting the new Thai constitution; and in 2003, we hosted the APEC Tourism Working Group, which was attended by senior tourism officials from 21 member countries. We also hosted the ASEAN Summit in 2009 with Heads of States from the 10 ASEAN countries and other Asian nations in attendance which made headlines around the world.

Other significant events that have taken place here include the 55th Pacific Asia Travel Association (PATA) Conference, the 46th International Congress & Convention Association (ICCA) Conference, the star-studded 23rd Subhanahongsa National Film Awards, Go Diamond Asia Pacific 2014, Asia Petrochemical Industry Conference (APIC) 2014 and the 48th Southeast Asian Ministers of Education Organization (SEAMEO) Council Conference. We offer MICE planners flexibility along with extensive convention and meeting space. We host dynamic, motivating and rewarding engagements.

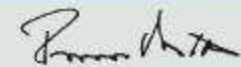

Conducting business in an environmentally-friendly way is at the heart of the organization. We support and pioneer green initiatives and take this a step further by encouraging event organisers to do the same. We have launched an exciting tree planting program where Flame trees would be planted in various vital locations on behalf of the companies and organizations who select the Royal Cliff Hotels Group and PEACH as the venue for their events. Organization representatives are awarded a tree planting certificate that shows their support for our long-lasting commitment to environmental sustainability. Also, as PEACH uses energy effectively, by having your event here, you are helping to sustain the environment.

When he played his remarkable flute, the entrancing music was so mesmerising that the monsters were enveloped into the spell of the enchanting tunes. His charm and charisma attracted many maidens and mermaids during his perilous journey.
